RESPONSE TO NOTICE TO CORRECT DRAWINGS

Sir:

In response to the Notice of the Draftperson's Patent Drawing Review, a copy of which is attached, mailed on June 2, 2004 by the United States Patent and Trademark Office, in connection with the above-identified Application, Applicants attach hereto a corrected version of Figures 1-13.

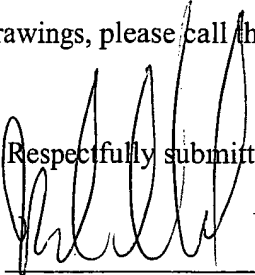

Pursuant to the Notice, the Figures are corrected wherein the character of lines, numbers, letters, and reference characters have been corrected to be well defined, clear and legible, and at least 32 cm in height, is enclosed herein. In addition, the scale of Figures 7, 8, 10 and 11 has been adjusted, the data in figures 1-3 is shown more clearly and the box around figures 4, 6, 9, 12 and 13 has been removed, per the Draftperson's comment, in the Notice. Thus, Figures are correct and comply with the corrections set forth in the Draftperson's Patent Drawing Review. Accordingly, Applicants request entry of the corrected drawings.

A response is due on August 2, 2004, therefore this response is being timely filed.
